

**INTERNATIONAL  
CHINCOTEAGUE PONY  
ASSOCIATION & REGISTRY**

**BREEDER'S CERTIFICATE**

This form can be used for both full and half Chincoteague Ponies. It must accompany every registration application for domestically bred Chincoteague Ponies (all ponies bought directly from the island do not need to fill out this form). Complete the application with as much information as you have available. If additional information is needed for registration the registrar will contact you. Leaving a blank or writing unknown is acceptable but may decrease your chances of getting your pony registered. If you don't know the parentage of your pony please contact ICPAR prior to submitting this registration form by emailing [chincoteagueponyassociation@gmail.com](mailto:chincoteagueponyassociation@gmail.com) or online at [chincoteagueponyassociation.com](http://chincoteagueponyassociation.com)
