Instructions:

2. Review the Half-Chincoteague registration rules listed below before filling out this application.
3. Retain a copy of this completed form for future reference.

Half-Chincoteague Registration Fee: $35

Requirments for Registration Acceptance:

All Half-Chincoteague Ponies with **one** parent either purchased directly from the Chincoteague Volunteer Fire Company (CVFC) or privately bred are eligible for Half-Chincoteague registration.

NOTE: Full-Chincoteague's, Buybacks, and ponies that are one quarter Chincoteague or less, **are not eligible** for the Half-Chincoteague Registration.

Ponies with one or both parents that are unable to be determined may be eligible for registration. One of the pony's parents must be proven to be a Chincoteague Pony through documentation such as:

- Identified as having been bred by the CVFC by photos of the pony on Assateague or at Pony Penning or an auction receipt/certificate
- Registered with the Chincoteague Pony Association, Chincoteague Pony Registry, or National Chincoteague Pony Association
- Documentation that the pony was privately bred or purchased from a known breeder
- Identified as a Chincoteague Pony through the "Chincoteague Pony Identification Program" (visit our website for more information)
- Sire or Dam registered with ICPAR

The ICPAR accepts Half-Chincoteague papers from the Chincoteague Pony Registry, Chincoteague Pony Association, and the National Chincoteague Pony Association. ***Please provide a copy of the certificate(s) when submitting the registration application.*** The ICPAR reserves the right to change the information from existing registration papers if there is sufficient evidence to make the change.

Due to the main breeding group being a feral herd, lineage may need to be updated and/or changed with new research. ICPAR will issue updated registration certificates upon request of the owner.

The owner of the dam will be considered the breeder and owner of any foal born to that mare. Foals pre-sold in-utero, or sold as embryo transfers, will still be considered owned and bred by the owner of the dam.

The International Chincoteague Pony Association & Registry LLC (ICPAR) will only register ponies that are eligible. ICPAR may deny registration/certification or cancel registration/certification if there are reasonable grounds to believe that the pony does not meet the standards or requirements for registration, or that any information on the registration form is false or incorrect.
